Outreach Opportunity

It's not too late to pick up your shopping list or to volunteer to take a child shopping for the YMCA Bright Beginnings program. This program, supported by the Outreach Committee of SPC, provides new backpacks, school supplies and school clothing for kids who would otherwise not have those items for the first day of their new school year. Please consider participating in this project. You may also contribute by check written to SPC, with YMCA/Outreach on the memo line. All backpacks and donations will need to be in the church by **Sunday, August 8.**
